

TOOL BOXES

- Chests and roller cabinets feature double walled construction for increased load capacities
- Unique electrostatic powder coating to ensure superior abrasion resistance
- Internal locking mechanisms provide security in all drawers
- Heavy duty full length drawer pulls for comfortable, easy operation
- Super Pro series tool boxes are equipped with "Quadra level" ball bearing slides on full width drawers, providing the smoothest operating action under any load
- All roller cabinets come with heavy duty 5" x 1-1/4" or 5" x 2" castors, except the massive RC41-13B which features super large 6" x 2" castors

Safe-Lock Drawers

BSL SERIES TOOL BOXES

- Ball Bearing slides on all drawers for smooth action even when fully loaded
- Safe-Lock drawer system prevents drawers from accidentally opening
- Full width drawer pulls for comfortable, easy operation
- Full width / full height double wall construction for superior rigidity
- Rear locking mechanism provides maximum security
- Drawers open even when lid is closed — allows use in low headroom applications
- Canadian-made using best quality domestic steel for maximum storage capacity without the risk of bending under heavy loads — **Check & Compare!**

SHD SERIES TOOL BOXES

- Super Heavy Duty tool storage units for ultimate strength and long life
- Full width / full height double wall construction for superior rigidity
- Cabinet frame reinforced with **14 gauge** steel plates
- Top and bottom corners re-designed to better distribute stress
- Large diameter side handle for secure grip when moving heavy loads
- Position of handle lowered to decrease stress on top corners
- Huge 6" x 2" castors rated at 900 lbs each
- All drawers fitted with safe-lock system, preventing drawers from opening while moving cabinet and chest
- Two pairs of ball bearing slides on each drawer (one pair on 2" high drawers)
- Each pair rated at 120 lbs capacity
- Frame depth adapted to allow flush face drawers
- Generous storage under lid of top chest - serves as a 5th drawer
- Gas shocks automatically raise lid when unlocked
- Built exclusively for **JET** in Canada
- Designed for use in extreme industrial and heavy duty applications such as large truck and heavy equipment service shops, military maintenance, industrial maintenance and repair, and any job that requires the storage and mobility of large, heavy tools and equipment
